Dear Mary & Jane,

This package I
am sending to you,
(one to both) in as
you will see, the
Hanson pedigree
from my great grand
father down to our
children. I wrote it
for the Jane &
thought to get it
in better shape, but
not now, I cannot
see & cannot do
more, I hope you
can translate it, &

in time call our
what you want. The
James, will see
that I give a lot
of our Bunchy
family, when I
give Mother & Lebbe
(Aunt Lebbe) history
Then we, note the
numbers ~~on~~ the
pages with a Circle
^{around}
④, then, mean
a page to be referred
to. The work is
not very well done
but now for three
years, I cannot see
to write satisfactorily,
also misspell
Please return

Wm. L. Baker, Esq., Cincinnati, Ohio.

Elijah Hansen sen
 served as a private
 in the Revolutionary
 War & was honorably
 discharged from service
 by President Monroe.
 He was born about
 the year 1754, perhaps
 in N.C. and claimed
 to be of Irish ancestry
 though the name
 Hansen is purely of
 Norway or Swedish origin.

Elijah Hansen sen
 married in N.C.

Susanna Scivoner,
 they were Friends or Quakers,

1. The first part of the document discusses the importance of maintaining accurate records of all activities. It emphasizes that these records are essential for ensuring transparency and accountability in the organization's operations. The document also highlights the need for regular audits and reviews to identify any discrepancies or areas for improvement.

2. The second part of the document outlines the specific procedures for collecting and analyzing data. It describes the various methods used to gather information, including surveys, interviews, and observations. The document also discusses the importance of ensuring the reliability and validity of the data collected, and provides guidelines for how to properly analyze and interpret the results.

3. The third part of the document focuses on the dissemination of information and the communication of findings. It discusses the importance of sharing the results of the research with the relevant stakeholders, and provides guidelines for how to effectively communicate complex information in a clear and concise manner. The document also emphasizes the need for ongoing communication and collaboration between the research team and the organization's leadership.

4. The fourth part of the document discusses the ethical considerations that must be taken into account when conducting research. It outlines the various principles of research ethics, including the importance of obtaining informed consent, protecting the privacy of participants, and ensuring the integrity of the research process. The document also provides guidelines for how to address any ethical issues that may arise during the course of the research.

5. The fifth part of the document discusses the future of research and the potential for new discoveries. It highlights the importance of continued research and innovation, and discusses the various challenges that must be overcome in order to achieve these goals. The document also provides a vision for the future of the organization, and outlines the steps that must be taken to realize this vision.
