Thieves on the prowl

The thieves have been busy in our area over the past six months. Sheriff Dennis Martin tells us there have been 18 to 20 break-ins. The majority have been west of Highway 59 and north and south to the county lines.

The thieves have hit unoccupied homes and isolated buildings. In one

incident, the thieves must have thought that the people were still out of town as this stealing act was the only one with the victims at home.

If anyone sees anything out of the ordinary, please call the Atchison County Sheriff at 744-6271.

Board of Aldermen met

The Rock Port Board of Aldermen met in regular session Tuesday, January 3, 1995. Minutes and the check register were approved to date.

Visitors present were C.L. Squires and Bobbi Slenker. C.L. was just an interested citizen and Bobbi was following up on an incident brought up later by Chief Allen.

City Administrator Dennis Butler praised the city crew for their efforts on keeping the streets open and cleaning up after the recent snow storms. He went on to report:

- The #6 diesel engine is completely torn down, and most new parts
